DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This flat roofed, three story, 2 bayed building of painted brick has a portion of the continuous shopfront finish of vertically ribbed aluminum common to 829, 825 and 823 N. Howard Street. There are two metal and glass doors, each topped by a transom, in a recess to the left. The shop windows consists of 2 panes of glass over a low panel of the grooved metal, another panel of which appears above.

The 2-over-2 double hung windows of the upper floors have gauged brick lintels and stone sills. The bracketed cornice, which is identical to and continuous with the one at 825 N. Howard Street, turns the corner so that one of the scrolled brackets may be seen in profile.
